

# 14th International Conference on New Diamond and Nano Carbons 2020

31<sup>st</sup> (Sun) May - 4<sup>th</sup> (Thu) June 2020

KANAZAWA BUNKA HALL, Japan

From Basic Science to Applications of;  
Diamond, DLC,  
Nano Carbon (CNT, Graphene, etc.),  
Nitride (BN, CN, etc.) and Other  
Carbon-based Materials

## Important Dates

Abstract submission

**OPEN** 18<sup>th</sup> (Mon) Nov. 2019

**CLOSE** 17<sup>th</sup> (Fri) Jan. 2020

## Research Topics

Growth (CVD, HPHT) and Doping,  
Characterization,  
Electronic and Optical Properties and Devices,  
Power Device Applications,  
Mechanical Properties and Tools,  
Electrochemical Properties and Bio Applications,  
Color Centers and Quantum Sensing/Information,  
Gemological Applications,  
Theoretical and Computational physics and chemistry.

## Executive Committee

**Robert J. Nemanich [Chair]**, Arizona State Univ / USA

**Ken Haenen**, Hasselt University and IMEC / Belgium

**Hiroshi Kawarada**, Waseda University / Japan

**Yasuo Koide**, NIMS / Japan

**Shuit-Tong Lee**, Soochow University, Suzhou / China

**Rodney S. Ruoff**, UNIST / Republic of Korea

**Yonhua Tzeng**, National Cheng Kung University / Taiwan

## NDNC2020 Committee

**Satoshi Koizumi [Chair]**, NIMS / **Hitoshi Umezawa**, AIST /

**Tsuyoshi Yoshitake**, Kyushu Univ / **Tokuyuki Teraji**, NIMS / **Hiromitsu Kato**, AIST /

**Kenji Watanabe**, NIMS / **Mariko Suzuki**, SEKI DIAMOND SYSTEMS /

**Norio Tokuda**, Kanazawa Univ / **Atsushi Hirata**, Tokyo Inst of Tech / **Takako Nakamura**, AIST
