

14th International Conference on New Diamond and Nano Carbons 2020/2021 (NDNC 2020/2021)
June 7(Mon) – June 9(Wed), 2021
On-line

Sponsorship Request for NDNC 2020/2021

April 02, 2021

To whom it may concern:

We are pleased to inform you that the 14th edition of NDNC is planned to be held coming summer (June 7th – 9th, 2021), on-line. Based on paper submissions, we estimate that more than 250 participants will attend the conference, which makes it one of the major international conferences on carbon-based materials. The historical details and purpose of NDNC can be found in Appendix A.

As the chair of NDNC 2020/2021, I kindly invite you to consider sponsoring our conference. Sponsors will have opportunities to advertise in the NDNC official conference program booklet (A4, PDF), on the NDNC website, and through the Booth Exhibition (Zoom Breakout Rooms).

Gold, Silver, and Bronze sponsor packages are provided:

	Gold	Silver	Bronze
Advertisement in Online Program book (PDF) * in pages	2 Facing pages	1(A4)	1/2 (A5)
Complimentary Registration	1	1	1
Logo placement on NDNC website	Large	Medium	Small
Fee (including consumption tax)	JPY150,000	JPY 100,000	JPY 80,000

[Optional]

An exhibition booth is optionally available through **Zoom Breakout Rooms**.

This includes:

- 1 room at Zoom Breakout Rooms
- Company advertisement broadcasting during the industrial sessions* (Advertisement should be within 1 minute)

* Please refer to Appendix B for more details.

Fee: ¥50,000/booth

If you have any further questions, please feel free to contact us at any time. We are looking forward to hearing from you.

Best regards,

Satoshi Koizumi
Chair, NDNC 2020/2021 committee

[Appendix A]

The NDNC was previously organized as International Conference for New Diamond Science and Technology (ICNDST) and Applied Diamond conference (ADC) and merged in 2007 as NDNC. With more than 30 years of its history, having been held in the areas of Asia, USA, and Oceania, this conference has been considered as one of the major international conferences on the carbon based materials.

The following chart shows the history of the NDNC for your information.

	ICNDST	ADC
1988	1. Tokyo, Japan	
1990	2. Washington DC, USA	
1991		1. Auburn, Alabama, USA
1992	3. Heidelberg, Germany (Joint)	
1993		2. Omiya, Japan
1994	4. Kobe, Japan	
1995		3. Gaithersburg, Maryland, USA
1996	5. Tours, France (Joint)	
1997		4. Edinburgh, Scotland, UK (Joint)
1998	6. Pretoria, South Africa	
1999		5. Tsukuba, Japan
2000	7. Hong Kong, China	
2001		6. Auburn, Alabama, USA
2002	8. Melbourne, Australia	
2003		7. Tsukuba, Japan
2004	9. Tokyo, Japan	
2005	10. Tsukuba, Japan	8. Argonne, Illinois, USA
2006	Joint Conference, Triangle Park, North Carolina, USA	
NDNC (ICNDST and ADC merged conference)		
2007	1. Osaka, Japan	
2008	2. Taipei, Taiwan
